(Expected Dec. 2025)

Key Skills

Project Management
Communication
Problem-solving
Detail Oriented
Data Analysis (SQL, Excel, R)
Data Visualization (Tableau)

Languages

English (Native)
Spanish (Native)

Objective

As an aspiring data analyst, my primary objective is to support the functioning of business operations by providing accurate and timely reports, coordinating with other departments, and telling an informed, detailed, story using data. I aim to create a positive and productive work environment by communicating with team members, setting clear goals, and monitoring performance.

Experience

APRIL 2025 - PRESENT

Test Scorer | Data Recognition Corporation – Remote – TX
Validated data in the form of student test responses in a span of several subjects. Worked with my team and team leader to provide quality and timely results on a tight schedule.

OCTOBER 2022 – APRIL 2025

Academic Tutor | MindRise Learning – Remote – TX
Encouraged and Prepared students for success in subjects such as algebra, biology, ELA, and more.

Professional Certificates

JANUARY 2025 – MARCH 2025

Google Data Analytics | Coursera
Enforced skills in data analytics and visualization such as SQL, RStudio, Excel, and Tableau. Used these skills to complete a real world case study to improve the marketing of fitness technology.

NOVEMBER 2024

Cybersecurity Threat Vectors and Mitigation | Coursera
Enforced skills in cybersecurity threat vectors within, and outside, an organization and how to properly handle risk.
